

**COUNTY OF LOS ANGELES – DEPARTMENT OF MENTAL HEALTH  
TRANSITION AGE YOUTH SYSTEM OF CARE BUREAU**

**JUVENILE JUSTICE TRANSITION AFTERCARE SERVICES DIVISION**

**VACANCY ANNOUNCEMENT**

**This is not an official examination bulletin**

**CLINICAL PSYCHOLOGIST II**

The Juvenile Justice Transition Aftercare Services Division, a comprehensive countywide aftercare unit addressing the mental health needs of Probation children and youth transitioning from the juvenile justice system to the community, is seeking dynamic, energetic, highly motivated, self-directed, organized individual(s) to join their professional multidisciplinary team.

**DESIRABLE QUALIFICATIONS:**

- Knowledge and experience delivering clinical services and evidence based practice treatment models to children, youth, and families, particularly juvenile justice youth
- Ability to establish collaborative working relationships with program partners (i.e. Probation Department, community organizations, school districts, etc.)
- Excellent organizational, interpersonal, oral, and written communication skills
- Ability to function both independently in the field and collaboratively in a team environment with high pace demands
- Proficiency in use of databases such as Microsoft Word, Excel, Access and Outlook
- Ability and willingness to travel throughout Los Angeles County including Probation camps in the course of performing the duties of the position
- Excellent attendance, reliable, flexible, and the ability to work under pressure

**EXAMPLES OF ESSENTIAL JOB DUTIES:**

- Provide culturally-competent direct services utilizing EBPs, including assessment, individual, family and group therapy, crisis intervention, and case management
- Assess consumers' level of functioning and readiness for participation in an EBP
- Collect and evaluate client and program outcome data
- Participate in a interagency multidisciplinary treatment team conferences, quality assurance, quality improvement, and case review activities
- Collaborate and consult with Probation, School district, and community partners
- Participate in ongoing training and supervision required by the EBP developer and DMH
- Travel to community service delivery sites to provide EBP mental health services. Additionally, travel to Probation camp facilities to participate in Multidisciplinary Team meetings
- Reviews State DMH PEI Resource Materials and Program guidelines to identify, research and evaluate treatment strategies for juvenile justice population
- Assists with the development of standardized data collection systems for clients outcomes and program performance measures for the purpose of evaluating MHSA PEI program effectiveness
- Compiles reports and evaluates performance outcomes for the juvenile justice population in the context of broader demographics or large data sets to identify and facilitate countywide program expansion and modifications

Interested individuals who currently hold the title of Clinical Psychologist II may fax, mail or email a detailed resume, last two (2) Performance Evaluations, last two (2) years of master time records, and a copy of your professional license **Attention:** Deborah Perkins, HPA by **Monday, March 23, 2015** to:
